

OREGON STATE-MANDATED CME CONTENT REQUIREMENTS

CME Requirements At-A-Glance

Renewal Cycle:

[Biennial – On or before December 31 of odd-numbered years](#)

State-Mandated CME Requirements:

- [60 CME every two years](#)
- [One-Time Requirement: One-hour Oregon Pain Management Commission course](#)
- [6 additional Pain Management or the Treatment of the Terminally Ill](#)

State-Mandated CME Content Detail

Each licensee must complete 60 hours of Category 1 CME relevant to the licensee's current medical practice during every two-year renewal cycle, or 30 hours if licensed during the second year of the biennium. The following are considered relevant for all licensees regardless of specialty: Pain Management; Cultural Competency; Suicide Risk Assessment, Treatment, and Management; and, Alzheimer's Disease. Participation in recertification or MOC by an ABMS or AOA-BOS member board will satisfy the general CME requirement.

One-time requirement within the first year of licensure of completion of a one-hour course provided by the Oregon Pain Management Commission of the Department of Human Services and six additional CME in the area of pain management or the treatment of terminally ill and dying patients.
