AMERICAN OSTEOPATHIC BOARD OF OBSTETRICS AND GYNECOLOGY MANDATED CME CONTENT REQUIREMENTS

CME Requirements At-A-Glance

Renewal Cycle:

Three-year CME cycle

Minimum CMEs:

- [Time Limited Certificates or Voluntarily Participating in OCC: 60 Hours of CME every three years coinciding with the AOA CME cycle](#)
- [Non-Time Limited Certificates and Not Participating in OCC: 120 Hours of CME every three years coinciding with the AOA CME cycle](#)

CME Requirements Detail

Diplomates with time-limited certificates and diplomates with non-time-limited certificates who are voluntarily participating in OCC must complete 60 CME credits in the 2019-2021 AOA CME cycle. Diplomates with non-time-limited certificates (who are not voluntarily participating in OCC) must complete 120 CME credits in the 2019-2021 AOA CME cycle. Diplomates holding multiple AOA surgical certifications must meet all criteria for each specialty certifying board's OCC processes. However, CME earned will apply to each specialty certifying board. AOA specialty certifying boards will not require diplomates to obtain specialty-specific CME during the 2019-2021 CME cycle.

Diplomates participating in the MOC process an ABMS certifying board may petition to apply their practice performance assessment activities to their OCC Component 4 requirements. However, the specialty certifying board may also require an osteopathic component.
