AMERICAN BOARD OF OBSTETRICS AND GYNECOLOGY MANDATED CME CONTENT REQUIREMENTS

CME Requirements At-A-Glance

Renewal Cycle:

CME requirement to be completed by December 31 annually

Minimum CMEs:

- [25 AMA PRA Category 1 Credits from the American College of Obstetricians and Gynecologists annually](#)

CME Requirements Detail

Diplomates are required to read 30 articles, answer four questions per article, score over 80%, and receive 25 *AMA PRA Category 1 Credits*™ from the American College of Obstetricians and Gynecologists annually upon successful completion of assignment. Specialist and subspecialist diplomates have different reading assignments.

Specialists with no subspecialty certificates: Read 28 articles (and answer questions) from any article category in any combination in: obstetrics, gynecology, office practice, pediatric and adolescent gynecology, the four subspecialties, or any of the other available article categories. Read two articles (and answer questions) in Patient Safety.

Specialists with a single subspecialty certificate Read 20 articles (and answer questions) in the diplomate's specific subspecialty article category. Read two articles (and answer questions) in Patient Safety. Read eight articles (and answer questions) for any article category in any combination in: obstetrics, gynecology, office practice, pediatric and adolescent gynecology, the other three subspecialties, or any of the other available categories

Specialists with two subspecialty certificates Read 10 articles (and answer questions) in the diplomate's first subspecialty article category. Read 10 articles (and answer questions) in the diplomate's second subspecialty article category. Read two articles

questions) in the applicant's second subspecialty article category. Read two articles (and answer questions) in Patient Safety. Read eight articles (and answer questions) from any article category in any combination in: obstetrics, gynecology, office practice, pediatric and adolescent gynecology, the other two subspecialties, or any of the other available categories.
