State-Mandated CME Content Detail

Licensees must complete 40 hours of CME during the two calendar years preceding license renewal registration. Use the [Arizona Medical License Look Up Tool](#) to determine your license expiration date and identify your CME reporting period.

A physician who is authorized to prescribe schedule II controlled substances and holds a valid U.S. Drug Enforcement Administration registration number shall complete at least three hours of opioid-related, substance-use-disorder-related, or addiction-related continuing medical education during each renewal cycle. Physicians are advised to confirm Arizona’s current [requirements](https://apps.azsos.gov/public_services/Title_04/4-16.pdf) with the Arizona Medical Board.
