State-Mandated CME Requirements:

- [50 Category 1 every two years](#)

State-Mandated CME Content Detail

Each licensee shall complete and report at least fifty (50) hours of continuing medical education every two (2) years. The fifty (50) hours of continuing medical education must be accredited by the American Osteopathic Association (AOA) as Category 1-A or 2-A, by the American Medical Association (AMA) as Category 1 or by the American Academy of Family Practice Prescribed Credit. A licensee is not required to complete any continuing medical education hours in the renewal period in which the licensee is initially licensed in Missouri if the licensee has not previously held a permanent license to practice in Missouri or any other state in the United States of America.

The period for completion of the continuing medical education requirements shall be the twenty-four (24)-month period beginning January 1 of each even-numbered year and ending December 31 of each odd-numbered year. Physicians should confirm Missouri's current requirements on the [Missouri Division of Professional Registration's](#) website.
