[Biennial renewal by January 31 of even-numbered years](#)

State-Mandated CME Requirements:

- [40 CME every two-year renewal cycle](#)
- [Minimum of 34 Category 1](#)
- [3.5 Controlled Substance Prescribing \(State-specific content required\)](#)

State-Mandated CME Content Detail

The Qualified Continuing Professional Educational requirement consists of 40 hours during each two-year cycle, a minimum of 34 of which must be earned through Category 1 activities. Each controlled substance provider must complete 3.5 credit hours addressing Controlled Substance Prescribing. The 3.5 hours of the controlled substance prescribing classes shall include educational content covering the following:

- Scope of the controlled substance abuse problem in Utah and the nation
- All elements of the FDA Blueprint for Prescriber Education
- National and Utah-specific resources available to prescribers
- Patient record documentation for controlled substance and opioid prescribing
- Office policies, procedures, and implementation

An M.D. or D.O. shall complete these hours in classes that qualify for the American Medical Association Physician's Recognition Award Category 1 Credit. Physicians must also complete one of four online Suicide Prevention modules provided by the Board for a total of 0.5 CME Credit. Physicians are advised to confirm Utah's current [MD](https://dopl.utah.gov/do/) and href="https://dopl.utah.gov/do/">DO requirements with the Utah Department of Commerce DOPL.
